**Marriage Records for Bauer (St. Joseph) Marion County and
Rosemount (St. Mary)(Whitebreast Twp) Warren County Iowa.
1880 - 1914**

This file contains the Marriage records from Rosemount and Bauer Churches, pages 1-18 and 21.
I do not have pages 19 and 20.

I am not the best person to try to transcribe old handwriting, but I made an honest attempt with the names, and hopefully it is close enough, with the index included, that those who want to look can find their families without too much trouble.

Make sure you try all alternative spellings. I noticed that even within the church records, family names are spelled differently on different pages. (ie - Konrad/Conrad, Schurmann/Shurmann)
